

Environment North: Application for Funding

Title of Project: _____

Title of Organization _____

Contact Person _____ **Phone Number (h)** _____ **(w)** _____

e-mail address _____

Postal Address _____

Charitable Number (if applicable) _____

Brief Description of Project (100 words)

Criteria to be considered for project approval are as follows:

- 1) What are the direct benefits of the project to protecting the environment, conserving spaces and creating long-term sustainability for Northern Ontario?

- 2) What are the benefits to Environment North and why is the project best suited for Environment North and not another group?

- 3) What is the likelihood that the costs for Environment North will be recovered?

- 4) What other funding has been obtained and are there other partners who can provide support?

- 5) How critical is the timing of the project?

- 6) Please include a budget spreadsheet which cites other sources of funding, and anticipated expenditures.

Send Application to:

**Environment North
